

Fall 2008

Dear Sir or Madam,

I am writing this letter to seek your company's financial support for the continued development and success of the Ottawa Titans Water Polo Association. Our club has been active in Ottawa since the early 1980s and was incorporated in 1984 as a not-for-profit sports organization. We are one of the strongest water polo clubs in Canada and are committed to the advancement of individual and team water polo skills in an environment conducive to the development of fitness, friendship, teamwork, sportsmanship and leadership.

Our club offers a variety of water polo programs which are enjoyed by close to 250 athletes. Our 'I Love Water Polo' program, the envy of most other clubs in Canada, is an introductory recreational program for boys and girls age 7-12. Our Recreational House League is a similar program for boys and girls ages 13 and over. The Academy program is a development program for those boys and girls age 8 – 13 who strive to join our Competitive program. Our Competitive program offers training for male and female athletes from 14 – 17, at two different levels of play. Finally, our adult (ages 17+) water polo programs offer co-ed water polo for those adults with and without water polo background who want to have some fun while staying in shape.

The Titans strive to provide affordable, easy access to water polo in Ottawa. Our second objective is to continuously enhance Academy and Competitive programs through increased training of coaching staff, game opportunities and participation at national and international events. Finally, our third objective is to continue to develop community leadership skills in our athletes.

The Titans contribute to Ottawa's reputation as a healthy vibrant sports community and we develop a strong core of local athletes who command attention at Provincial, National and International levels. While our programs have enjoyed tremendous success and growth, particularly over the last five years, our club continues to face increased cost and resource availability pressures. **We are looking for your financial help in the amount of \$500 (a One Star Level in our sponsorship program) to offset these costs so that we can continue to meet our objectives.**

Through your sponsorship, your company will reinforce its brand name, solidify its ties with Ottawa and the National Capital Region and confirm its commitment to quality and excellence. You will also be recognized as an active supporter of a community program that encourages the involvement of our youth and adults alike in physical fitness through posting of your name/ logo on our website, mention in our weekly newsletters, recognition in our tournament booklets, and with a receipt for tax purposes. We invite you to take a serious look at our sponsorship program as we are hopeful that you will find an option that suits your particular business situation.

For further information, please contact General Manager Deanna Barry, at 613-741-1224 or [INFO@titanswaterpolo.ca](mailto:INFO@titanswaterpolo.ca) .

Thank you for your interest in the Titans,

Jean-Philippe Caron  
Club President  
Ottawa Titans Water Polo Association
