

November 2008

Dear Friends of Titans Water Polo,

Ottawa Titans Water Polo Association is pleased to be hosting the **11<sup>th</sup> annual Titans Cup (ages 14U) on January 30-February 1, 2009**, and the **5<sup>th</sup> annual Titans Invitational (ages 16 and 18U) on February 6-8, 2009**, both at Nepean Sportsplex Pool. These events will bring together hundreds of players, their parents, relatives and friends to play and watch this exciting sport.

Ottawa Titans Water Polo Association is a non-profit sports organization, formed in 1984, committed to the advancement of individual and team water polo skills. We place our emphasis on the development of fitness, friendship, teamwork and sportsmanship. Titans Water Polo offers both recreational and competitive water polo programs for ages seven through adult across the greater Ottawa area.

These events have been successful each year due to the tremendous support we have received from our community. We depend on the events to raise much needed funds to help support our programs and to keep registration fees as low as possible. With your help, we can continue to provide a fun and challenging sporting environment for young boys and girls in Ottawa.

We will be publishing a tournament program booklet for each of the events for participants and spectators, outlining the rules, schedules and team rosters, as well as promoting our advertising supporters. Here is your opportunity to advertise your products or services.

Advertisement space is available for these events as follows:

- \$125 for back cover (half a standard 'letter' size page)
- \$100 for regular full page (half a standard 'letter' size page)
- \$50 for half page and,
- \$25 for business card size.

If you are interested in having your company represented, please complete the order form and submit with payment and artwork **by December 29, 2008**. A PDF of a scanned document is suitable for us to work with and we can discuss other formats. Cheques are payable to **Titans Water Polo**.

If you have questions, please feel free to contact Nancy Frazer, [bednarej@rogers.com](mailto:bednarej@rogers.com) (for Titans Invitational 16/18U age group) or Slavica Frlic, [slavica@beyond2020.com](mailto:slavica@beyond2020.com) (for Titans Cup 14U age group).

On behalf of Titans Water Polo, we appreciate your support!
